

44th Norwich (1st Old Catton) Scout Group

In August we officially take a break, until the weekly activities start again in September. Well, apart from the Scout camp.

Fish, fires and flannels

By the end of the Scout camp, they will have cooked their suppers over a campfire. The idea is that if they do well, it will be a fish they caught and filleted earlier on. If not so lucky, it may be a long, hungry night?

Flannels *are* brought to Scout camp. Enough said.

Fundraising thanks

We will soon be ordering new equipment courtesy of the generous donations of the Sainsbury active kids 10 vouchers - not all the vouchers were from people directly linked to Scouting. It is greatly appreciated, thank you to *everyone* who helped us.

Future Forecasts

For the rest of us, we will be taking a break with our families. Plans for the forthcoming term's activities have been agreed and, because we like to be prepared, we'll be making sure they happen.

The prediction is more tales of fun, immense fun, friendships, and adventure from September.

We hope you enjoy the summer, too.
