

Girlguiding

Catton and Spixworth District

My Life In Guiding so Far....

I started at 1st Old Catton Rainbows aged 5 years old. Rainbows are very popular to all little girls, so it was good for my Mum to put my name down on a waiting list, when I was a baby. I loved my time at Rainbows; we played games and did lots of crafts.

I can remember going on trips with all the Rainbows, one to Banham Zoo. Saying my "Promise" and going under the Rainbow arch is another thing I remember. I felt very grown up.

When I was 7 years old I moved up to 4th Old Catton Brownies. I was a bit worried but also excited at the same time. When I arrived I was given a Buddy who looked after me until I was enrolled into the Squirrels group.

We also did crafts and games but more important things like working for badges i.e. Cycling; Cooking; Hostess and Fire Safety. I have worked on 37 Interest badges at Brownies.

We went on Pack Holidays at Patteson Lodge and Hautbois House at Coltishall. These were such fun times.

When I reached 10 years old I moved up to 1st Old Catton Guides. I have done so much in my 1st year at Guides. I have worked for some badges and Go For Its. I have been on many events eg. Campfire at the Lime Pits; played Wide Games at Hautbois; Big Gig; Camping at Alton Towers; holiday at Eaton Vale Activity Centre; visited the Theatre and Discos.

I am in the Starfish Patrol and I have recently been made up to Patrol Secorder. There are so many things that we do and I love it!!

I would recommend girls to join, so email the District Commissioners on dc@ocdistrictguides.org.uk
