

Girlguiding

Catton and Spixworth District

Over 150 rainbows, brownies and guides from Old Catton and Spixworth got together 29th March at Spixworth Village hall and took part in a masque ball. The girls made the masks in their units one evening. They all looked fantastic. They all danced to a disco and were provided with refreshments. The girls who attended will be given a special century badge to celebrate a 100 years of guiding.

Most of the units have started to arrange sleepovers, camps and pack holidays. Some units have already enjoyed a weekend at Pattison Lodge. Another unit will join rainbows, brownies and guides from all over the county at an exclusive guiding weekend at Pontins Pakefield. These trips are excellent opportunities for the girls to join in fun activities.

1st Old Catton Rainbow unit held a coffee morning to raise money for diabetes. Well done to all the girls and leaders.

As this is the century year guiding has more special events planned for the rest of year which all the girls will be able to take part in.

If anyone would like more information on joining guiding please email dc@cattondistrictguides.org.uk and we would be happy to let you know on how to join etc.

Emma Davison
Joint District Commissioner
