

Girlguiding

Catton and Spixworth District

On the 18th September 2010 4000 Rainbows, Brownies, Guides, Senior Section, Adult Leaders and Trefoil Guild descended on Great Yarmouth Seafront for a County organised event called 'Sea Side Sparkle'. There were 100 girls from Catton and Spixworth who took part in this event.

During the afternoon Brownies went to Time and Tide and the Guides invaded at a high pitch scream The Pleasure Beach. After having Tea on the beach the girls enjoyed watching different bands on a stage set up on the beach ending in a fantastic fire work display. This was a long afternoon/evening, however true guiding spirit everyone soaked up the atmosphere and had a fantastic time.

All girls received a goody bag which contained a special Sea Side Sparkle bag, badge, pop up Frisbee, lan yard, purse, pink bucket and spade, note pad and pen, poncho and a piece of rock.

If you know girls that would like to take part in events such as these we are currently looking for girls to join Brownies (aged 7-10) and Guides (aged 10-14) as we have spaces available now in a couple of the units. If you are interested please contact the District Commissioners by email at:
