

Girlguiding

Catton and Spixworth District

Monday 13th June 90 Brownies, Guides and Senior Section from Catton & Spixworth District took part in a wide game at Hautbois, Coltishall. The girls were split into 10 teams and then given a story of how a valuable art painting had been stolen and they had to find all the 12 pieces of the paint and put it together again. A greedy art dealer had 1 piece and they had to make something out of pipe cleaners, coloured sticks and lollipops sticks which had been given to them in their packs at the start of the game. The creations that some of the teams came up with to swop for their piece of art were fantastic! All the girls had a really good evening and went home with a Certificate and a chocolate coin.

Saturday 18th June 119 Brownies and 27 adults from the Wensum Division took part in the Brownie Giant Sleepover at Eaton Vale Activity Centre. Two groups from Catton, 1st and 3rd Old Catton Brownies joined in. During the day they did some crafts, went rock climbing, abseiling and did crate stacking, and then in the evening they sang camp fire songs. From all accounts the girls had a really excellent time.

If anyone would like to find out more about Guiding in the Catton/Spixworth District then please contact Emma and Sarah on the District email dc@ocdistrictguides.org.uk . We will be happy to help!

Emma Davision
Joint District Commissioner
