

# Girlguiding

Catton and Spixworth District

February is a special month in Guiding because Lord and Lady Baden-Powell had the same Birthday – February 22<sup>nd</sup>.

In 1926 it was named “Thinking Day” when the Guide Movement thinks of other Guides throughout the world, and raises money for WAGGS (World Association of Girl Guides and Girl Scouts).

This year to celebrate Thinking Day the girls will be completing their Wonderland badge. The Wonderland Challenge is themed on Alice in Wonderland and has been designed by a ranger group in Surrey. The girls will have to complete several tasks through out the day to be awarded the badge which can be added to their uniform or they can put it on a camp blanket.

Special district days/evenings can take alot of organising and it is Thanks to the leaders for organising them as without the leaders none of these events would happen so we would like to Thank them very much for all the time they give up to make sure the girls have enjoyable evenings and days!

If anyone would like to find out more about Guiding in the Catton/Spixworth district then please contact Emma & Sarah on the district email [dc@ocdistrictguides.org.uk](mailto:dc@ocdistrictguides.org.uk) . We will be happy to help!

Emma Davison  
Joint District Commissioner
