

Girlguiding

Catton and Spixworth District

During the summer holidays all the leaders have got together to arrange the forth coming programmes for the girls. There are some exciting evenings being planned. Most groups will be working to badges such as The Cup Cake challenge, Sweetastic badge and the Anglia Challenge badge. I know some leaders have also started planning next year's sleepovers for Rainbows, Pack holiday for Brownies and camps for Guides and senior section.

There were two activities also for Brownies units during the summer break:

1st Old Catton Brownies went on a train to Cromer. The girls walked down to the beach where they were put into groups of 4 and had a sandcastle competition. Then there was another competition of making a picture in the sand. The girls had very good ideas for both competitions and all different. Next stop was the Pier where lunch was consumed. Then it was onto see the Lifeboat at the end of the Pier. After that each child had the biggest ice-cream you could imagine, and shopping in one shop. The shop keeper said they were the politest group of children he had had in his shop and enjoyed serving them.

4th Old Catton Brownies joined 2nd Spixworth Brownies for pack holiday in Sheringham. The Theme was Pirates all the leaders were given names such as Captain Hook and Captain Jack Sparrow. All the Brownies completed The Pirate challenge badge they had to for fill tasks such as making eye patches, paper boats They had a pirate party with Pirate games and Pirate food. All girls had went home having an excellent time.

A big Thank You to all the leaders for giving up their time to ensure all the girls has a great time in Girl Guiding.

Emma Davison
Joint District Commissioner
